[Wonder Woman - Fundraising for Canadian Cancer Society](#)

Hello friends,

I am about to release my latest single, "Wonder Woman." This song holds a profound significance my heart, as I recorded it for my sister amidst her courageous fight against cancer.

Mark your calendars for October 4th, when "Wonder Woman" will hit the airwaves, Spotify, YouTube and Apple Music and more.

I'm excited to announce that all proceeds from sales of Wonder Woman will be donated to Canadian Cancer Society in support of Breast Cancer research. Music has a way of bringing us all together, creating a bond that heals and unites us. I truly believe that "Wonder Woman" will empower women worldwide, giving them the strength, hope, and faith they need to overcome life's toughest challenges.

My first live performance of the song will be at the CIBC Run for the Cure in Ottawa at the Rideau Carleton Raceway where she hopes to inspire hope and love. Let's come together and support each other through the power of music!

CIBC run for the cure on October 6, 2024

"We are thrilled that the supremely talented Arlene Quinn has decided to donate proceeds from her song "Wonder Woman" to the Canadian Cancer Society in support of Breast Cancer research. We have made great strides in improving survival rates and quality of life for Canadians diagnosed with breast cancer but there is still work to do. Arlene's passion and dedication to raise money and awareness will surely have a profound impact on breast cancer outcomes in the future. On behalf of the Canadian Cancer Society staff and volunteers and the courageous people we serve please accept our heartfelt thank you." exclaimed Doug Kane, Director Independent Fundraising & Sports Alliances, Canadian Cancer Society.
